EC Declaration of Conformity
IPAS

I P A S
Ingenieurgesellschaft
für Automation und
Systemtechnik mbH

This is to confirm that the products stated below are compliant with the following EU directives:

Directive **2014/30/EU** of the European Parliament and the European Council of 26 February 2014 to approximate the laws of the Member States relating to electromagnetic compatibility.
For further details regarding compliance with this directive, please see appendix EMV.

Directive **2014/35/EU** of the European Parliament and the European Council of 26 February 2014 to approximate the laws of the Member States relating to electrical equipment designed for use within certain voltage limits.
For further details regarding compliance with this directive, please see appendix NSR.

Directive **2011/65/EU** of the European Parliament and the European Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment:
For further details regarding compliance with this directive, please see appendix RoHS.

Product details:

ComBridge Net Communication Interface NCI   Order no.:   3622-141-07-0B

The CE marking has been affixed: January 2016

This declaration has been submitted by:

IPAS GmbH
Hölscherstr. 27
