

EC Declaration of Conformity

This is to confirm that the products stated below are compliant with the following EU directives:

Directive **2014/30/EU** of the European Parliament and the European Council of 26 February 2014 to approximate the laws of the Member States relating to electromagnetic compatibility.

For further details regarding compliance with this directive, please see appendix EMV.

Directive **2014/35/EU** of the European Parliament and the European Council of 26 February 2014 to approximate the laws of the Member States relating to electrical equipment designed for use within certain voltage limits.

For further details regarding compliance with this directive, please see appendix NSR.

Directive **2011/65/EU** of the European Parliament and the European Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment:

For further details regarding compliance with this directive, please see appendix RoHS.

Product details:

DaliControl e64

Order no.: 4101-145-01

The CE marking has been affixed: March 2012

This declaration has been submitted by:

Representative
IPAS GmbH

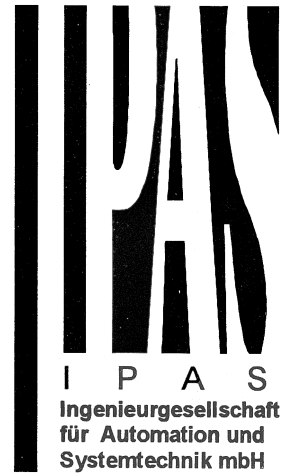

Duisburg, 13th December 2016

Name

This declaration certifies conformance with the standards and directives cited. It does not, however, represent an assurance of characteristics in the sense of product liability law. Appendices EMV, NSR and RoHS are part of this declaration. Page 1 / 4

EC Declaration of Conformity

Appendix EMV

The following standards were used to evaluate the products with regard to directive 2014/30/EU:

Harmonised European standards / reference number:

DIN EN 50491-5-1:2010
(VDE 0849-5-1)

DIN EN 50491-5-2:2010
(VDE 0849-5-2)

DIN EN 50491-5-3:2010
(VDE 0849-5-3)

DIN EN 50428:2005 + A1:2007 + A2:2009
(VDE 0632-400)

DIN EN 60669-2-1/A12:2010-09
(VDE 0632-2-1/A12:2010-09)

EC Declaration of Conformity

Appendix NSR

The following standards were used to evaluate the products with regard to directive 2014/35/EU:

Harmonised European standards / reference number:

DIN EN 50428:2005 + A1:2007 + A2:2009
(VDE 0632-400)

DIN EN 50491-3:2009
(VDE 0849-3)

DIN EN 60669-2-1/A12:2010-09
(VDE 0632-2-1/A12:2010-09)

EC Declaration of Conformity

Appendix RoHS

The following standards were used to evaluate the products with regard to directive 2011/65/EU:

Harmonised European standards / reference number:

DIN EN 50581:2012-02
(VDE 0042-12:2013-02)
